Iâm reviewing the latest version of the contracts and see that they made a material change on page 6, 3.a. where they made us responsible for managing the furniture contracts rather than the City which was included in the last version they gave us.Â Iâm not in favor of that.Â What are your thoughts?

Hi everyone,

For your signatures, attached is the PDF file for each BID, which contains the final agreement and exhibits. If you have any questions, please let me know.
